4th annual: WWM Big Game Feast & Gun Bash

This year's event was another success thanks to all those whom attended and helped with the bash. There were over 25 firearms raffled off throughout the afternoon. Many other items were won throughout the afternoon:

On-Point Outfitters Pheasant Hunt, Frogg Toggs gear, scopes, hats, 50/50 and much more. The wild fish and game feast that accompanied the bash served up a variety of dishes including king salmon, elk, venison for all to enjoy.

We appreciate all of those that supported this event for the WWM and hope to see you all at next year's event and any other of our upcoming events.
